Doctoral Seminar

”Topics in Time Series Econometrics”

Summer 2021

Description:

This seminar is intended to give participants exposure to state of the art research in time series econometrics and its applications in empirical finance and macroeconomics. The course provides doctoral students the opportunity to present their own, preliminary research in these areas.

Time and Location:

Date: 18th - 19th August 2021

Location: Haus Tornow am See, Oberbarnim

Registration:

To register for the seminar, you will need to send an e-mail including an extended abstract to max.diegel@fu-berlin.de.

Registration should take place not later than 21 June, 2021.

Requirements:

The seminar paper will be due a few weeks before the date of the seminar. Papers are encouraged to be preliminary.
